

# AFFILIATED UNIVERSITY COLLEGES

The three affiliated university colleges—Brescia (Canada’s only Women’s University), Huron (Western’s founding institution), and King’s (a Catholic, co-ed University)—are residential, liberal arts colleges specializing in student-centred education. Each campus offers students the advantages of a small campus in the context of a large, world-class, multi-faceted university. The campuses are academic units of Western and maintain the same academic standards. Affiliated University College students enjoy all the rights and privileges as the main campus student body, can participate in Western’s extracurricular activities, athletics, and health services and, most importantly, receive their degrees from Western. Applicants to one of the affiliated university colleges are eligible for the admission scholarships and residences of that campus. Students who wish to be considered for admission to an affiliated college, must specify the particular program and campus as one of their choices on the OUAC application. To obtain additional information about each of the affiliated university colleges, please contact the respective Registrar’s Office.

## PROGRAMS AVAILABLE AT ALL UNIVERSITY COLLEGES

All campuses offer modules leading to the 3-year, 4-year and honors degrees. The majority of these modules fall within the disciplines found in the Faculties of Arts and Humanities and Social Science. Honors Specializations, Specializations, Majors and Minors are offered in disciplines that are the same as the main campus as well as programs which are unique to each of the affiliated university colleges. Students entering first-year in Arts and Social Science programs will have the opportunity to sample courses from a broad range of disciplines. Counsellors will assist students in selecting courses for their first year as well as determining progression into upper year programs.
